

JDRF Chapter Challenge Guidelines

Nevada HOSA

2011-2012

Nevada HOSA is excited to introduce our state's first time participating in the National Service Project through National HOSA at the STATE level.

The Juvenile Diabetes Research Foundation (JDRF) Chapter Challenge is designed for chapters to collect money up until the opening session of State Leadership Conference in a competition for a revolving award. All of the money collected from chapters will be donated to this year's national service project, JDRF, by the state of Nevada.

Your chapter is encouraged to decorate a bucket specific to your chapter and JDRF and to fill it with money. Participating chapter buckets will be placed on the stage during opening session and counted immediately following. The chapter with the largest donation will receive the revolving trophy and the title as the first ever Nevada HOSA Chapter Challenge Winner!

Rules & Specifics

- Buckets may be **no** larger than 6 1/2" by 7" (equivalent to a 3 lb. coffee can)
- Buckets must have a lid that will fit when filled with money
- Each chapter is allowed **ONE** bucket
- Buckets cannot be filled any more once opening session begins at SLC
- 3 points awarded to the overall winner for Chapter of the Year
- 3 points awarded to all chapters with a **DECORATED** bucket for Chapter of the Year

Tips

- Cash change in for bills
- Host fundraisers around campus
- Start class with a donation minute
- Encourage friends and family outside of HOSA to donate

Questions?

If you have questions regarding the JDRF Chapter Challenge please contact:

Randi Hunewill: rhunewill@doe.nv.gov

Sean Robinson: statedirector@nevadahosa.org

Miranda Terrell: postsecvp@nevadahosa.org

Remember: All donations received through the JDRF Chapter Challenge are submitted as a STATE donation and not through your local chapter. Thank you for your participation, good luck, and happy fund raising!
