PRESIDENT'S UPDATE—TAZIA STATUCKI

Greetings Nevada HOSA! This year began with a great start at FLX and I am excited for the year ahead. Your state officers are always here to help in any way possible and would love to do chapter visits this year! There are some amazing Future Health Professionals out there and we are on our way to 1,000. Keep up the good work and I look forward to meeting all of you!

FALL LEADERSHIP EXTRAVAGANZA TWICE!

The Fall Leadership Extravaganza is a fall leadership conference hosted by DECA, FBLA, FCCLA, and HOSA. TRI Leadership, your state officers, and state management teams work together to create entertaining and meaningful keynotes, sessions, workshops and much more. This

year Nevada HOSA broke into 2 groups and participated in the Las Vegas FLEX and Reno FLEX. Attending the Las Vegas FLEX was State President; Tazia Statucki, State Secretary; Jenny Tenorio, and State Post-secondary VP; Miranda Terrell. Attending the Reno FLEX Tazia, Jenny, and

Miranda were joined by State 1st VP; Dominique Barnett, and State 2nd VP Hanna Eason! Your state officers had a wonderful time getting to know this years delegation and impacting your HOSA year ahead of you!

Las Vegas FLEX at Cashman Center

The Las Vegas Fall Leadership Extravaganza, other words known as FLEX, took place on Monday, October 17 at the Cashman Center. Students in HOSA attended FLEX in search for leadership training, to learn more about their organization, and to socialize with other members from FBLA (Future Business Leaders of America), DECA, and FCCLA (Family, Career and Community Leaders of America). Members were greeted by their state officers from all four CTSOs at the opening session and were given a presentation by their

keynote speaker, Amy Gallimore. After the opening session, state officers from all of the CTSOs delivered a workshop about public speaking. Among going to etiquette training and workshops, students also got the opportunity to meet up with their organization. HOSA had their state association meeting based on four competitive events. The four events consisted of Sports Medicine, CPR/First Aid, MRC Partnership, and Biotechnology. Each event took up a corner of the room where students could then get into small groups and rotate every fifteen minutes to another event.

Lori Walling from Southeast CTA was in charge of Sports Medicine; she got the students moving by showing them a couple of exercises and preparing them for the Physical Conditioning Procedure. Kristy Yegge from Veterans Tribute CTA demonstrated the Open Fracture and Splinting Procedure. Vikki Smith from Southwest CTA and Wendy Luck, State MRC Coordinator, explained and answered any questions about the MRC Partnership Event. FLEX was a success! Thank you to all who contributed to that success and special thanks to Nevada HOSA members and advisors.

Reno FLEX at Grand Sierra Resort

Your state officer team recently joined with DECA, FBLA, and FCCLA state officers to host 2011's Fall Leadership Extravaganza in Reno, Nevada! A total of 35 HOSA members attended! A few highlights from this conference; members attended workshops presented by state officers from all organizations along with some workshops presented by TRI Lead-

ership, members learned a few skills on proper etiquette, attended a session for HOSA voted on our 2012 HOSA Nevada pin, and tried a few competitive events! Also at FLEX members got to bond with not only fellow members of HOSA but with the state officer team. At opening session HOSA members got a little insight on what the state officers have planned. Chap-

ter visits, President's Council, and the JDRF Chapter Challenge are all things our membership are looking forward to for 2012 SLC!

We would like to thank advisors for taking the time to bring our members to the biggest little city in the world to attend the 2011 FLEX!
