COMPETITIVE EVENTS

Eligibility

Students must be affiliated and paid members to compete at the State Leadership Conference. Students can compete in one (1) competitive event at the State Leadership Conference and International Leadership Conference. Students can participate in as many Recognition Events and State Only events as they want. Students must attend the State Leadership Conference to qualify for the International Leadership Conference.

Event Finalists Process

Certain competitive events consist of two rounds. Round One is a written, multiple choice test of knowledge and understanding, and Round Two is a performance/skill. Depending on the number of competitors, the Nevada HOSA testing process may lead to only the top scoring competitors proceeding to Round Two. Competitors are encouraged to be prepared for both rounds, even though they may not participate in Round Two.

Major Event Changes and Retirements for Nevada HOSA

General Updates and Reminders

- Formatting – For consistency, there will be changes to the language regarding formatting of title pages, portfolios, and essays.
- Skills – When skill scenarios indicate a specific “limb” (i.e.: left leg, right ankle) points on the rating sheet will be weighted higher to ensure the skill is done on the correct side. Verbalization of skills will not be allowed if equipment is available or should have been brought by the competitor.
- Binder Pockets – Binder pockets have been eliminated from all applicable events. Additional pages have been added to the portfolio maximum pages to account for including material that was previously added via the binder pockets.

Health Science & Recognition Events

- Medical Spelling – Taber’s Online Audio Glossary will be used at the ILC to pronounce the words, so that all competitors hear the words the same way (free from dialect or incorrect pronunciations). States will have the option to use the online audio tool at state-level conferences.
- Health Informatics – Health Informatics will be a new Health Science Test

Health Professions

- Nursing Assisting & Personal Care – The events now align with each other in regard to the skills. Three skills have been deleted from both events: Position Patient; Change a Patient’s Gown; and Discharging a Patient. Three skills have been added in their place: Admitting a

Patient; Donning PPE; and Caring for Ostomy. The DHO and Sorrentino Books have been retired as the resources and they have been replaced by the following two:

- Dugan, Diana L. *Nursing Assisting A Foundation in Caregiving*, Hartman Publishing, Latest edition
- Roe, Sue. *The Nursing Assistant: Essentials of Holistic Care*, The Goodheart-Wilcox Company, Inc., Latest Edition
- Sports Medicine – The timing of Skill I has increased, and Skill II total points has increased.
- Veterinary Science – The Muzzle skill has been retired. Wrapping a Surgical Pack has been added.

Emergency Preparedness Events

- CERT Skills – CERT Skills has been aligned with the release of the new CERT curriculum.

Recognition Events Received Deadline: March 26, 2021

**Send to Nevada HOSA Associate Director Shelly Kinnunen
associatedirector@nevadahosa.org**

COMPETITIVE EVENTS

Health Science Events AND Healthcare Issues Exam (Online Testing)

All testing occurs on-site at the State Leadership Conference except the Health Science Events AND the Healthcare Issues Exam. Health Science events are administered through HOSA's online testing system. The Health Science events offered to Nevada HOSA members include:

- Behavioral Health
- Cultural Diversities & Disparities
- Dental Terminology
- Health Informatics **NEW**
- Human Growth & Development
- Medical Law & Ethics
- Medical Math
- Medical Reading
- Medical Spelling
- Medical Terminology
- Nutrition (SS & PS ONLY)
- Pathophysiology
- Pharmacology
- Healthcare Issues Exam

Testing Fee. Registration for each test is \$5.00 (regardless of whether or not they take the exam), and chapters will be billed accordingly. The \$5.00 is in addition to the SLC registration fee. Advisors register their students for Health Science tests online through HOSA's conference registration system. Signing a student up for a Health Science event does not obligate a student to attend the State Leadership Conference. THERE IS NO FEE for participating in the Healthcare Issues Exam - ALL STUDENTS are eligible for Healthcare Issues Exam.

Dates. Take note of the following important dates for Online Testing:

February 1-12	Registration Window for Health Science Testing
February 12	Logins sent to Advisors
February 15-26	Online Testing Window
February 27	Finalists Announced

Registration. Students who are planning to compete in a Health Science event must take the test online. Advisors should log into the National HOSA affiliation system (<https://apps.hosa.org>) using their unique login and password and scroll down to "Conferences." From there you can choose "Jan NV SLC On-Line Testing" from the dropdown menu and click "Begin Registration." From here you can follow the on-screen instructions to register your members for their respective health science events.

Process. When results are final, Nevada HOSA will announce who qualified as finalists in their respective Health Science event.

For the following events, the top five (5) will be finalists for their event:

- Behavioral Health
- Cultural Diversities & Disparities
- Dental Terminology
- Health Informatics ****NEW****
- Human Growth & Development
- Medical Law & Ethics
- Medical Math
- Medical Reading
- Medical Spelling
- Medical Terminology
- Nutrition (SS & PS ONLY)
- Pathophysiology
- Pharmacology

For the following events, the top ten (10) will be finalists for their event:

- Medical Spelling

The number of finalists in the Healthcare Issues Exam will be identified when published by National HOSA. Students who take the Healthcare Issues Exam in February but do not register for SLC will not be eligible for recognition.

Note that we will only announce the finalists in these events, not their place and/or score, and not how any other students placed. Place results will be announced at the State Leadership Conference.

If a student does not qualify for the final round, they can choose another event to compete in at SLC with no change fee (they still must pay the \$5 online testing fee). If a student does qualify for the final round in a Health Science event and wants to change competitions at SLC, there will be a \$50 change fee. Essentially all students need to commit to their event, but we do offer an opt-out option if a student does not qualify as a finalist in their event. The reason for the \$50 change fee is that we want to encourage students to take their event seriously and commit to the Health Science event if they qualify as a finalist. If they drop, we then have to look at a drop-down process which results in not taking our strongest competitors to Internationals.

Please note: Signing up for a Health Science Event does not obligate the student to attend the State Leadership Conference.

Questions

If you know of individuals who would make excellent judges for our competitive events program, please direct them to <http://www.nevadahosa.org/judge> for more information. They can also email Antonio Hernandez, Nevada HOSA State Officer Coach and Judge Coordinator, at antonio@nevadahosa.org.

Any student may be nominated by a local chapter advisor, the state officer coach, the Executive Director, or the Education Program Professional. The nomination form will be due on the SLC registration deadline and it will allow for information about the criteria to be identified.

If the student of the year is able to attend the International Leadership Conference, this student shall represent Nevada HOSA as the Outstanding State Leader.

FINAL REMINDERS

As leaders and teachers of young professionals, it is important that we prepare our students for this upcoming event. The following information will help you to plan for the State Leadership Conference (SLC) and prepare your students with important information about the conference.

Publicity

Your chapter and Nevada HOSA, in general, welcome positive publicity. Use participation for the SLC to generate some positive publicity. It is always nice for the public to know you have participated before you have to earn dollars for the international competition.

Students with Disabilities

Our office makes every attempt to accommodate students with disabilities at the conference. If you contact us prior to the conference, we can make the conference and competition as barrier free as possible. Please inform us about people with disabilities and any special accommodations that may be needed, such as wheelchair accessible sleeping rooms. Please inform Nevada HOSA by March 15, 2021 of any special requirements that may be needed for competitions and sessions.

Avoid common registration frustrations!

- Read this registration guide in detail. Assign it for extra credit homework for chapter officers so multiple members of your chapter are familiar with State Leadership Conference (SLC) requirements and procedures.
- Read the HOSA Competitive Event Guidelines. Assign your competitors extra credit for reading this and appointing a fellow chapter member to be their “buddy,” in order to have multiple members familiar with their event.
- Follow-up with the district and school business office to make sure the fees will be paid on time.
- Make registration checks payable to: Nevada HOSA. Checks must be mailed to Nevada HOSA, P. O. Box 1440, Owasso, OK 74055.
- E-mail questions to slc@nevadahosa.org
