

TIMELINE

March 1-5: Registration window

March 29-April 9: Round 1 Testing Window

April 13: Round 2 scenario and video will be posted in the online competitive event portal at 3:00pm. Competitors will have until 6:00pm to evaluate the video and upload their graded rubric.

April 29: Awards Session!

GUIDELINE MODIFICATIONS

- The round one test will be taken online. The test will still have 50 items, but competitors will have their time adjusted to a **30-minute** time limit.
- Competitors will take the test by using the online testing system anytime during the registration window from March 29-April 9. The test is proctorless.
- The round two scenario and video will be posted in the online competitive event portal on April 13 at 3:00pm. Competitors will have until 6:00pm to evaluate the video and upload their graded rubric.

TECHNOLOGY NEEDS

TESTING

- Tests can be taken on a smartphone, tablet, or computer.
- Go to <https://testing.hosa.org> to access the testing system. Login credentials will be emailed directly to competitors from the HOSA online system. (Credentials will also be emailed to advisors. If you do not receive your email from the HOSA online system by March 28 please notify your advisor.)
- [Please click HERE for a video explaining online testing.](#)
- If you have any issues logging in, accessing online testing, or if you didn't receive your password and login information via email by March 28, please contact your advisor.

DRESS CODE

As Future Health Professionals, HOSA members should present themselves in a professional manner for all recorded video presentations and/or live events as part of the Nevada HOSA 2021 Virtual SLC; however, dress code bonus points will not be awarded this year.

TECHNOLOGY NEEDS

During the COVID-19 Pandemic, many textbook companies are offering free or reduced pricing for e-learning materials. Additionally, many internet service providers are offering internet services at a reduced cost. [Please review the link HERE for additional information.](#)
